Face Masks Required for All

In light of new guidance issued late yesterday afternoon (June 25) by the Oregon Health Authority, face coverings are now required for all people gathered in all churches in all counties in Phases 1 and 2 of reopening in Oregon. Those are excepted who perform “activity that makes wearing a mask...not feasible,” like the presider (throughout Mass) and the lectors/cantors (while reading/singing). Exceptions are also made for people with disabilities and children 12 and under. Children 2 and under should not wear masks. By archdiocesan requirement, masks must still be used by ministers when distributing Holy Communion.

Prevent Spread by Those Without Symptoms
While people who are sick or know that they have COVID-19 should isolate at home, COVID-19 can be spread by people who do not have symptoms and do not know that they are infected. That’s why it’s important for everyone to practice social distancing (staying at least 6 feet away from other people) and wear cloth face coverings in public settings. Cloth face coverings provide an extra layer to help prevent the respiratory droplets from traveling in the air and onto other people.
The Mysteries of the Rosary
With regret, this will be Br. Paul Maria Mullner’s last writing on the Rosary.

Fifth Luminous Mystery: The Institution of the Eucharist

This mystery really bridges the luminous and the sorrowful mysteries. Chronologically, it occurred just before the first sorrowful mystery. Jesus knew what was about to happen, and it is with this in mind that Jesus celebrated the first Mass. Sacrifices of old were not complete until at least part of the sacrifice was consumed. In Leviticus and Deuteronomy there are detailed instructions that specify how much had to be eaten and what had to be burned. The meal part of the sacrifice would be at the end of the sacrifice. Jesus chose to institute his sacrificial meal at the beginning of his passion. How could he offer his flesh and blood to his disciples before he had offered himself on the cross?

The answer is clear, when one glimpses how the Cross is the center of history. The Mass transcends time and space. Just as we are united to Calvary through the Mass, so the disciples were, even though it was before. Through the Eucharist we are in some way tangible present to the upper room, when Jesus spoke the words of institution. And we are present to Calvary where his love poured out.

At the core of our faith is the Eucharist, Jesus himself. In the Eucharist we are most fully united with him. Yet, we often receive routinely. Far to many times, I find my mind wandering, thinking about mundane things, like what needs to be done after Mass. When the disciples were in the upper room, they did not understand what was happening, but they hung on every word that Jesus spoke. They were fully present. When we are at Mass we don’t see Jesus as clearly as they did in the upper room. We only see him veiled in the scriptures, and veiled behind bread and wine. Let us, nevertheless, strive to be as attentive to his presence, as the disciples.

All Mass intentions are prayed for as scheduled, as our Priests continue to say a private daily Mass in their Chapel. There are many openings; if you would like to request a Mass Intention, please go to our website: https://www.uonewman.org/mass-intentions-calendar.html

CCS Partners with Springfield Grocery Outlet

Starting June 24th and during the month of July, CCS is proud to partner with the Springfield Grocery Outlet for the Independence from Hunger campaign!

If you donate $5 or more at checkout during the month of July, you’ll get a coupon for $5 off your next Grocery Outlet purchase of $25 or more! Every pre-filled bag of groceries worth $5 or more that you purchase for donation is delivered to the CCS Springfield food pantry and distributed to those in need.

Last year, the CCS Springfield food pantry served over 10,000 people!

In August, 2019, CCS received 3450 pounds of food items from the Independence from Hunger Campaign which was used to provide basic food necessities for our neighbors in need in the Springfield community. CCS is grateful to the local community for its incredible support of Grocery Outlet’s Independence from Hunger Campaign and also to owners, Tracy and Tom Hogan, for sponsoring this wonderful and important event since 2015.

Beginning June 22, the Feast of Saints Thomas More and John Fisher, the United States Conference of Catholic Bishops celebrates Religious Freedom Week. Join us in promoting religious freedom For the Good of All.

All people desire to know their Creator. All people have a natural impulse to seek the good and to live in accordance with that good. All people can flourish when they pursue the truth about God and respond to the truth.

Religious freedom means that all people have the space to flourish. Religious freedom is both an American value and an important part of Catholic teaching on human dignity. When we promote religious freedom, we promote the common good and thus strengthen the life of our nation and the community of nations.

Pray for the freedom of the Church in China, and that the rights of all religious minorities would be respected.

Pray that God would show the people of the Central African Republic the way to peace and reconciliation.

Pray that the freedom of the local churches on the U.S. southern border will be respected.

Pray that governments would respect the consciences of the Little Sisters of the Poor and all Christians who care for the sick and vulnerable.
What’s New at Newman?

This week, Corinne Lopez, Director of Faith Formation, aided by recent UO Grad Brody Wasson, painted her office. You may recall it was most recently in shades of the Southwest; it had been painted last in 2010. Her new colors could be described as “beachy” and give a very cool and calming vibe.

Out with the old...in with the new!
