Newman Clean-Up Day
We clipped branches, trimmed bushes, hedged hedges, pulled weeds, and raked it all up! Special thank you to John Kiesewetter for use of his trailer to bring all the green waste to the Rexius recycling center. Also, John returned with his tractor and dug out the sinking hole, from the tree that was removed last year, and filled it with shale to help smooth out the parking lot. Thank you to all for your stewardship to Newman.
It was a labor of love.
Thank you to our work crew:
