Access Ramp To Be Replaced!

We are happy to announce that we will be moving forward on the ramp replacement.

The 30 year old ramp will be removed and rebuilt in the same design. The project will take two weeks starting on August 6 and will be completed by Aug 17. During this time impact to services will be minimal.

Daily and weekend Masses will continue as normal but the access ramp will be unavailable during this time.

Some of the parking in the lot will be reserved for construction and will be marked off accordingly.

Thank you to all that have helped to fund this project. With out your help this achievement would not be possible. Praise God!

Thank You to Those Who Helped With Our Newman Beautification Day!
