Tree Removal Notification

Sadly, the large leaf maple tree in our
parking will be taken down on Monday,
August 27. We had a risk assessment
completed by a local arborist and the tree
was found to have extensive rot and decay.
It poses a risk to life and property if it
was to fail. We have been given permission
by the City of Eugene to have it removed
for everyone's safety.

***THE PARKING LOT WILL BE CLOSED
ON MONDAY, AUGUST 27.***

We are working with Urban Lumber to help
repurpose the lumber. We are also asking
the community if there is anyone that is
into woodworking or woodcarving that
might be interested in utilizing some of the
wood to please contact Andy Roybal at
development@uonewman.org.

Our New Access Ramp is Finished!

Thank you for your patience as our nearly 35 year old
ramp was replaced. With your generous contributions,
our sturdy new ramp should last a good long time.
Thank you for allowing this critical access to all that wish
to attend services at Newman. We invite you to take a
look at it as you leave church today!

**CHURCH OFFICE CLOSED
MONDAY, SEPT. 3**
