The Shroud of Turin Exhibit

Could an ancient Jewish linen cloth be the actual burial shroud of Jesus? Could the Shroud of Turin be a document of the crucifixion? Is that even possible? Or is it nothing more than a medieval hoax?

For hundreds of years this ancient linen cloth etched with the faint image of a crucified man has mystified millions. It continues to speak from centuries past, challenging us to unlock its many secrets. Nearly every scientific regimen has been employed to unravel the mystery and yet it remains unsolved.

SHROUD ENCOUNTER is a dramatic big-screen experience. Each clue is revealed and examined like a *CSI Investigation*, leading deeper into its maze of mystery and intrigue.

A museum quality replica will be on display at the Newman Center chapel
